

# TWELVE BRIDGES FOOTBALL

## SPONSORSHIP OPPORTUNITIES

### Message from Coach Bean

Welcome to another season of Twelve Bridges Raging Rhinos Football! We had a very successful season. We won our league and fell a point short of winning a Section Championship. We can't wait to build on that success and make some incredible memories. Focusing on our philosophy of **S.O.U.L.** (Selflessness, Ownership, Unity, Larger purpose), we will help these young adults become the best version of themselves. As a program, we will assist our athletes in understanding that anything worth working for is going to take time, effort and grit. We will support our student-athletes on and off the field by having high expectations and holding them accountable. Playing football for the Rhinos is a privilege and will not be easy; but it will be worth it!

Running a football program is a massive undertaking. Most people do not know that we are a completely self-funded entity. We need to raise money to ensure our players are in the safest equipment possible as well as equip our coaches with the necessary tools to educate and turn our athletes into the best players they can be.

I would like to thank you for your support of the TBHS Football program and athletes. We could not build our program without the support of our community and area businesses. We are looking forward to building a legacy of greatness at Twelve Bridges! I encourage you to support these players on Friday nights this fall. **Catch the Rage!**
